# SCP Youth Soccer Travel Soccer Refund Policy

## **What is the refund policy for the fall 2022-2023 Travel Season?**

**A:** Travel soccer has a stringent refund policy because a player's acceptance has the effect of denying another player an opportunity to play on a competitive team. Accordingly, fees are not refundable and not transferable. Fees for participation in the club cover the entire soccer year. A player who accepts an invitation to play with the Club commits to pay the entire fee for the full soccer year. No refunds, partial or full, will be made to players who choose not to participate at any point after registration for any reason, including players suspended from the program. The only exceptions are (1) In the event that a player has a season ending injury, (2) For families that move during the season, and (3) Player cannot be placed or is removed from a team. The board *may* consider a partial refund in these circumstances on a case by case basis. A player's card will not be released until the players financial obligations are fulfilled.
